

Minden Winter Carnival Slated For This Weekend

Hiram Walker & Sons Limited who have been extremely generous in years gone past, as far as donating prizes and sponsoring curling is concerned, will keep their record in tack this year by sponsoring the Minden Winter Carnival Curling Bonspiel.

Ed Pettinger who is in charge of this event told the Echo last week that entries are coming in and that he expects to have a full house for this bonspiel.

Northern Division Manager of

Hiram Walker products, Thomas R. Sheridan, has always been a booster in Minden and has seen to it that prizes and trophies will be on hand for this big event.

If any of the Minden area visitors are interested in curling they should head up to the Curling Club on Carnival weekend, January 30, 31 and February 1, and take in this Hiram Walkers Bonspiel. You will be sure to see some fine curling and you will enjoy some warm hospitality.

If you are looking for a good feed of stew during the Winter Carnival weekend be sure to drop up to the Minden Rod and Gun Club, just north of here on Highway 35. The Rod and Gun Club is putting on a Stew Supper at 5:00 o'clock on Saturday, January 31, for \$1.75 a plate.

Among many other attractions this year at the Minden Winter Carnival, a Giant Fireworks Display will be held at Pikes Peak on Saturday evening at 7:30 p.m. This display can be seen from

any point in Minden and it will last about half an hour. Don't forget to watch for it.

A girls hockey club, "The Fountain Aces" will be featured at the Minden Arena on Saturday night of the Winter Carnival weekend at 8:30 p.m. This unusual and exciting team has never been beaten and will try to keep their winning record intact as they face the Minden Modern Belles. This game is a must for everyone to see so plan now and attend.

Other attractions on tap for the Minden Winter Carnival on Friday, Saturday and Sunday are a Carnival Queen Contest, Sock Hop, Skating Races, Gigantic Parade, Giant Bonfire, Bowling Tournament, Chainsaw Contest, Sky-Divers, Family Snowmobile Cruise and Treasure Hunt, Fish Derby, Figure Skating, Sleigh Rides, and many other events too numerous to mention.

Plan now to spend a fun-filled three days at the Annual Minden Winter Carnival.

Sled Dog Derby A Highlight Of Second Haliburton Winter Carnival

The Second Annual Haliburton Winter Carnival which was held last weekend was highly successful in every respect. More visitors, more attractions, and ideal Carnival weather all contributed to make this a bang-up affair.

The most popular attraction in the three days would have to be the Sled Dog Derby. This event was entirely new to most of our residents and the great interest in the said races was apparent by the huge crowds that gathered at the lakefront on both Saturday and Sunday afternoons.

While the Carnival Queen Contest was not as keenly contested as last year it nevertheless attracted great interest. A crowd of 350 were on hand to view this event.

The Parade was an improvement over the previous year, and the musical programme supplied by the New Dundee Clown Band was greatly appreciated. This organization will be welcomed back to Haliburton at any time.

Ron Stewart, star Halfback of the Ottawa Rough Riders, 1969 Grey Cup Champions, was the guest of honour and was the main speaker at the Carnival

Feast and Ball held at the Royal Canadian Legion on Saturday night.

PRIZE WINNERS

In the Ice Sculpture Contest the Best Sculpture in front of Home or Business was won by the Haliburton Cubs and Boy Scouts, while Second Prize Sculpture in front of Home or Business was won by Lakeshore Maring. The Best Overall Sculpture on the Grounds went to Grade 13 of the Haliburton Highlands Secondary School, and the Second Prize Sculpture on the Grounds was taken by Grade 5A 10B of the Haliburton Highlands Secondary School.

The Carnival Queen Contest saw Alexandria Young chosen as Queen of the Carnival, whose list of prizes included a cheque for \$25.00, an engraved wrist watch courtesy of Varty's Jewellery, Haliburton Tartan tam and clutch purse courtesy of Haliburton Highlands Chamber of Commerce, dress shoe or casual shoe courtesy of Highland Shoe & Tack Shop, and a coloured portrait courtesy of W. J. Dalley. The two Princesses, Glenda Cameron and Paula Mankinen, each

received a \$15.00 cheque, beautiful pendants courtesy of Varty's Jewellery, and black and white studies courtesy of W. J. Dalley.

Parade Floats and Entries saw the Best Overall Float go to Bell Canada (Construction Department), the Most Original Entry to Reg Sproats for his Fur Trappers' Display, and the Most Humorous Entry to The Cedarway Co. for their Horse(?) and Sleigh.

The Best Decorated Snowmobile with Trailer or Sleigh prize was won by Allen Bagg of Eagle Lake, the prize being a Bobolink Sleigh Kit donated by The Cedarway Co.

Grace Hucal won the Giant Toquepic Draw at the Royal Canadian Legion Hall.

(Continued on Back Page)

Three Accidents Investigated By Minden O.P.P. Detachment

Damage of \$400 resulted when a vehicle being driven by Danny Nelson Austin, 23, of Minden came into collision with a gas pump on the property of J. O. Jackson, also of Minden, at 12:20 a.m. last Saturday. Police report the Austin vehicle snapped the pump causing approximately \$400 in damage. The accident occurred in Minden and was investigated by Ontario Provincial Police Constable Joseph Watson of the Minden Detachment.

A total of \$400 damage resulted when a vehicle being operated by Brian Allan Toye, 18, of Haliburton went off Highway 530

near Minden and rolled at 3:30 a.m. on Sunday. Investigating officer Joseph Watson of the Ontario Provincial Police, Minden Detachment, reported no injuries in the accident.

A total of \$600 in damage resulted when a vehicle driven by Fred Mitchell of R.R. 2, Huntsville, came into collision with a bridge over Hollow River on Caygama Lake Road at 2:40 p.m. on Sunday. No injuries were reported in the mishap which was investigated by Ontario Provincial Police Constable Douglas Heath of the Minden Detachment.

Huskies And Ti-Cats Top Teams

The Haliburton Huskies and Bobcaygeon Ti-Cats split in a doubleheader in Central Ontario Junior 'D' hockey action over the weekend. On Friday night at Bobcaygeon the Huskies won a 4-2 decision but came home on Saturday night and were beaten 7-2 by the same Bobcaygeon club.

Over 600 fans, the largest crowd of the hockey season at Haliburton, attended the Saturday night contest which was one of the highlights of the Haliburton Winter Carnival.

Haliburton and Bobcaygeon are now tied for the lead in the Central Ontario Junior 'D' O.H.A. Hockey League, and it looks like a real battle to the wire before the schedule ends. The teams share first place with 31 points each, although the Huskies have one game in hand.

This Saturday night Bancroft Laundry's Jets will be the visitors at the Haliburton Arena, and the action starts at 8:00 p.m. Why not bring the entire family out and cheer the Haliburton Huskies on to victory.

St. George's Church Elect Officers

St. George's Anglican Church Annual Vestry Meeting was held in the Church Auditorium at Haliburton on Monday night, January 26, with 30 members of the congregation being present.

The following are the new Officers elected for the year 1970: Peoples Warden - Douglas Hodgson; Rector's Warden - Gerald Dawson; Treasurer - Dorelle Baker; Envelope Secretary - Emily Smith; Chairman of Sidesmen - Adrian Whitfield; Lay

Members to Synod - Lois Emmerston, Alternate - Merrill Bailey; Auditors - Dave Gray, Mervyn Elstone; Representatives to the Parish Executive Committee - Cliff Dawson, Dorothy Thayer; Representative to Advisory Board - Joe Taylor; Stewardship Chairman - Harley Fader; Great Chapter Representatives - Vance English, Marion Henry, Mervyn Elstone; Parish Outreach Coordinator - Eleanor Cooper of West Guilford.

HALIBURTON NEWS LETTER

Two new members were inducted into the Rotary Club of Haliburton last Thursday night, namely Harold Fawns of Eagle Lake and Dennis Baker of Haliburton. Last week's speaker was Mr. John McLean, Reeve of Woodbridge. Tonight (Thursday) the Haliburton Rotarians are in Fenelon Falls for International Night.

The Haliburton Trappers' Association held a very successful Fur Sale at the Orange Hall in Haliburton on Wednesday.

The Haliburton Winter Carnival Headquarters Office has remained open this week in preparation for the snowmobiles which will be arriving from Pembroke this afternoon.

Plan now to attend St. George's Anglican Church Women's Annual Pancake Supper which will be held in the Parish Hall in Haliburton on Tuesday, February 10.

The Chairman of the Haliburton Rotary Club's Easter Seal

Campaign is planning a fine kick-off for the Easter Seal Campaign. Stephen Francis, the Timmy for 1970, will be in Haliburton on Thursday, February 19, to attend the regular meeting of the local Rotary Club.

Old Man Winter hit the Haliburton area on Wednesday and we had one of the heaviest snowstorms of the season, followed by rain. Driving conditions were anything but good.

Simpsons-Sears Ltd. opened an Order Agency in Haliburton today, with Mr. Les Hughes being appointed as their official agent. The new Simpsons-Sears Agency will be at the Highland Shoe & Tack Shop across from the Bank of Montreal. Further details appear in an advertisement on Page Five of this issue.

Citizens from the Haliburton district will have the opportunity to see the Minden Winter Carnival which will be held this coming weekend. From all the reports they have three big days lined up.

Big Snowmobile Race On Thursday

The 353-mile cross country snowmobile race started at Pembroke this morning (Thursday) at 8:00 o'clock, and the entries are expected to arrive this afternoon from 2:00 to 5:00 p.m. at the Arena Grounds in Haliburton.

A large number of entries are expected and the general public are invited to come to the dinner at the Royal Canadian Legion Hall in Haliburton this evening at 6:30 p.m. Cocktails will be served from 5:30 to 7:00 p.m., and the dinner is \$2.75 per person.

The second lap of the race will start from the Arena Grounds on Friday morning at 8:00 o'clock, and the public are also invited to attend this event.

This is the opening event for the Pembroke Winter Carnival which they call the Ontario Winter Games, and the snowmobile drivers will be competing for \$1,000 first prize money with an additional \$1,000 being split between the next four finishers. The prize money has been donated by O'Keefe's.

"Snoopy" Helps Hospital Fund

The Charlie Brown and Snoopy Float which won first prize in last Saturday's Haliburton Winter Carnival Parade has helped the new Red Cross Hospital Building Fund Campaign, which is to be officially opened soon. This excellent float was designed and put together by a group of Bell Canada employees in their spare time.

Ray McKinnon, Chairman of the Hospital Building Fund Committee, reports the following people contributed towards the good showing and also donated the first prize money to the Hospital Building Fund: Doug Davison, Bob Lloyd, Bob Petch, Bob Morrison, Cliff Coffey, Murray MacDonald, Libby Johnson, Joan Ward, Muriel Magahay.

Evangelical Meeting Planned For Haliburton On February 10

Many local residents have become confused by the use of terms like "evangelical" and "evangelist", so on Tuesday, February 10, they will have an opportunity to learn the difference. On that day Rev. Dr. William Fitch, Minister at Knox Presbyterian Church in Toronto, will address a supper banquet in the Royal Canadian Legion Hall. The meal is planned for 6:00 p.m. Dr. Fitch is also the President of the Evangelical Fellowship of Canada, an interdenominational voice attempting to enlist and represent the estimated 1,000,000 adult evangelists in Canada.

Three local ministers, Rev. Lorne Schmitt of Minden and

Rev. Noel McNeill and Rev. Ronald McCaw of Haliburton, are members of this Association and the latter serves on its General Council. Many others in the area agree with its purposes and will no doubt join at a convenient time.

Local residents — men, women and teens — who are interested in learning about Canada's evangelical movement are urged to attend. Anyone planning to be present must contact Rev. Ron McCaw before February 3. The tickets cost \$2.50.

Ski Races Held At Sir Sam's Inn

Over 40 skiers participated in the ski races held at Sir Sam's Inn on Sunday afternoon last in conjunction with the Haliburton Winter Carnival.

The weather and skiing conditions were ideal for the fun races and the following skiers were declared winners: Girls under 10 years - Angela Bishop; Boys under 10 years - Blake Melnick; Girls under 15 years - Kim Chambers; Boys under 15 years - Mark Evenden; Girls 15 years and over - Ev Bieske; Boys 15 years and over - Dennis Kingston.

The youngest skier competing in the races was six years old and the oldest being 52.

All the racing events were conducted by Greg Hilton, Club Professional at Sir Sam's Inn.

Snowmobile Driver Faces Charges

A Port Hope man, Fred F. Bailey, 54, of Kevin Street, has been charged with two offences under the Motorized Snowmobile Vehicles Act by failing to yield and failing to produce insurance following an accident recently on Highway 649, south of 121.

Bailey was the operator of a snowmobile that was in collision with a car driven by Roger Wesley Cooper, 19, of Haliburton. The snowmobile received \$600 damage and the car \$350 in the accident.

Bailey and a passenger in the Cooper vehicle received minor injuries.

Happenings In 1969

The following happenings were given by Elenor D. Walker at the January meeting of the Minden Women's Institute:

It seems Muskoka wants three of our Haliburton County's townships; they do not like the way we are taking the tourist trade from them.

Mr. Nelson Ward leaves for Manitoulin Island. We will miss a good School Inspector and citizen, and Mrs. Ward will be missed in the Women's Institute.

We had the best Minden Winter Carnival yet with over 2,000 visitors attending, and everything went off fine; especially the snowmobile races with the Prentices receiving a good share of the prizes.

Fishing was good on Carnival weekend with a 10-pound trout being caught. Mr. Bill Payne and his son got a 10½-pound trout in Gull Lake later on.

Our popular Reeve, Charles Brandon, has been made Warden of Haliburton County.

The Figure Skating Carnival was a success, so good for the young people.

There seems to be a lot of dogs running loose and as there have been some rabid foxes shot it is very dangerous.

The ladies' Bowling Leagues of both churches did fine.

Council has passed a bill prohibiting trailers and mobile homes in the village. I see that Prentice's have a nice site on Highway 35 in Lutterworth.

A Minden man was crushed by a bulldozer. Herbert Alton leaves a wife and nine children; very hard for her.

The Kinsmen and Rotary Clubs have pledged \$20,000 for the new Arena.

Cost of the Minden Progress has gone up on account of the rise in the mail cost.

Everything right now is for a new arena. We had a bowling tournament and made \$25.00. There is to be a Walkathon from Haliburton to Minden, a distance of about 15 miles, and everyone is sponsoring some to walk. I have four, and think it will be a success. It was, and with a dance they made over \$8,000.

The Minden Women's Institute had a fine bus trip as we enjoyed the scenery and fine weather. The historical places visited were much appreciated. It was as nice a trip I was ever on.

The Red Cross Hospital is going to have a face-lifting. I believe there will be three more rooms; a much needed extension. We have a new Coin Laundromat; we missed the other one when it had to close.

Mary Little won \$1,000 at the Minden Kinsmen Marathon Draw. The Minden Rotary Club had a fine summer Carnival.

The Community Centre vote rejected the new arena, but we will go on as fast as we can. If it was put on the taxes it would not cost too much; I am all for it. They are going to build the first part and then go on as they can.

They are holding the Fall Fair early to catch the tourists, I expect, and they sure did as

there was a real mob. The day was a little too warm, but still they came.

They are now planning sewers for Minden, which are sure needed.

Floyd Hall has been in the insurance business for 50 years; we have had him here in Minden since 1953.

Sinclair Nesbitt is still bringing home the trophies with his horses, a good ad for Minden.

The ladies are bowling again and I am on both league. I don't know how long they will put up with me.

The fall colour was wonderful but was a little late. I counted five full buses in Minden one day.

The hunting season was not too good, but I know one camp that got plenty.

Tenders are called for the Vankoughnet Road, and this will be a real good thing when it is completed.

We lost a fine citizen in Mr. Gordon Bibby, Clerk, and it will be hard to fill his place. He left a lot of friends.

The snowmobiles are very careless on the roads and are a real danger to cars. I believe two people have been killed — such a needless waste.

We will miss Mrs. Finlay as she used to bowl with us. She was a fine citizen.

Mr. Sam Welch was honoured here by Arcadia Lodge.

Mr. L. M. Frost was awarded the Canadian Outstanding Service Medal.

Our own William Scott, M.P. for Victoria-Haliburton, spoke out over taxation.

Minden Public Library holds Open House.

The County is in a huddle over the two Winter Carnivals. This is Haliburton's second and I believe it is Minden's tenth. If it as good as the last one it will be fine. And how the children enjoyed the rides on the big sleighs, with horses being something we don't often see anymore.

We have been having fine winter weather for over a month and I hope it stays, but it won't.

Haliburton, Kawartha, Pine Ridge District Health Unit**REPORT FOR DECEMBER 1969****Communicable Disease**

Of 88 cases reported during the month, 35 were mumps and 32 chickenpox. The balance were comprised of german measles,

infectious hepatitis, salmonellosis and scarlet fever.

Eight rabid animals were reported in December — five of these in Victoria County, one in Durham and two in Northumberland. There was one horse, two bovine, two foxes and three skunks. Vaccine for preventive treatment of four persons was dispensed to the family physicians.

Tuberculosis

Only two Chest Clinics were held this month — at Bowmanville and Port Hope; at these 42 persons received a chest x-ray. There are 398 on the case register for Northumberland and Durham Counties at the end of the year 1969.

There were 263 tuberculin (Heaf) tests given this month — five of these were positive, indicating contact with tuberculosis at some time.

Immunization

Thirty clinics were held this month, and at these 108 children received primary smallpox vaccination and 602 had a re-vaccination; and 585 had a reinforcing dose of Triad which gives protection against diphtheria, tetanus and poliomyelitis.

Public Health Nursing

The bigger part of the immunization programme for the year has been completed in the schools by the end of December. This includes the measles vaccine given to school beginners, and reinforcing doses of diphtheria, tetanus and poliomyelitis, and re-vaccinations in Grades 5 and 6. The remaining part of the immunization programme, chiefly in the secondary schools, will be done after Christmas.

Heaf testing has been partly completed in Northumberland, and will be continued in Durham and Haliburton Counties in the spring. The Provincial Department of Tuberculosis Control in Lindsay does the tuberculin testing in the schools in Lindsay and Victoria County.

Nursing care in the home is now being undertaken in Haliburton County. The Victorian Order of Nurses does this programme in Lindsay and Victoria County.

Audiometry

Hearing tests were conducted in Haldimand, Hope, Cramahe, Cavan, Manvers and Clarke Townships, and in Brighton and Port Hope. A total of 456 tests were made.

Fifteen audiograms were made, the results of which indicated that there were four new defects, seven defects were still present, three retests were normal, and one referral from a physician was normal.

Nursing Homes

Seventeen inspections of Nursing Homes in relation to meeting the requirements of the Nursing Home Act were carried out during the month. Nursing Homes that have complied with all the requirements are recommended for a licence, while the others which have not completed the requirements are given a provisional licence for a further period of six months. It is understood that all Nursing Homes must complete their requirements within the next six months, as a further provisional licence will not be issued.

There are 14 Nursing Homes with 489 beds and 18 Residential Homes for Special Care Patients in the District Health Unit area.

Environmental Sanitation

Seventy-five inspections of water supplies were made, and 202 samples taken for bacteriological analysis at the Provincial Branch Laboratory in Peterborough. The supplies are classified as municipal, private, commercial and school.

General Remarks

A very successful Christmas Party was held at the Cobourg Golf and Country Club on December 5th. Members of staff and Board of Health were present from all four counties.

Mrs. Brian Leguard, Public Health Nurse, has left the staff. We have enjoyed having Mrs. Leguard in the Cobourg Office very much. She will be missed by staffs in schools and by patients, as she has been doing public health nursing in Cobourg area for almost six years.

Bill Smiley

A LOVE AFFAIR THAT DIED

Snow is something you like or dislike. You can't just ignore it. At least not around these parts. If you ignored it at our house, they'd find you in the spring, in a high state of decomposition.

When I was a kid, I loved snow. The more the better. Fighting in it, rolling in it, making "angels", washing girls' faces in it, throwing it at the enemy, and coming home for supper rosy-cheeked, warm as toast, and soaked to the skin.

Somewhere along the line, our love affair has withered and gone stale. Oh, I admit it's beautiful to look at on a bright winter day, when there's been a fresh fall of a few inches, and the whole world is like Adam and Eve.

But when it keeps coming down and coming down, and you have to get rid of it, you remember that the above-mentioned pair got kicked out of paradise, and the rest of us have had to slug it out ever since.

Putting out the garbage is a simple thing. But when the snow is over the top of your boots, and you have to carry the cans 80 yards, it's a minor nightmare.

Deciding in the morning whether or not you can ram your way through the three-foot bonus from the snowplow across the end of your drive is similar to Russian roulette. I tried it once last week and had to leave the car sitting there like a stranded whale, tail sticking out into the street and body straddling the sidewalk. One hour shovelling after work.

We have an excellent system of snow clearance in our town, except that the operators have a diabolic sense of the perfect moment to strike.

The big street plow lurks around the corner while you shovel your driveway. Then the driver's mate says, "OK. He's all ready", and they whistle around the corner and dump about three tons of new snow back into the driveway. The only way to beat them is to throw your shovel away as though it was molten metal, jump in the car, and roar out backwards before they make

it. Then we have a sidewalk plow. If you beat the big plow, the little one will get you. He comes around when you're at work and kicks out a one-foot pile on the street-side and another on the driveway-side. This is frozen into crusty snow-ice by the time you get home, and you need an Alpenstock to break it up.

One big help though, is the kids. They're right on the job. If it snows two inches of fluffy stuff, they're at the door with big, boyish smiles. "Can I shovel your walk, Mister?" You could do it yourself without strain, but figure on assisting free enterprise, give them the job, and over-pay them.

Comes a real downfall, say ten inches of that wet, slushy stuff, when every loaded shovel weighs six pounds and is a potential coronary, and they're all home watching television.

The final aid is the snow-blower. When the banks have built up to a height where you can see only your neighbour's roof and a bit of sky, when the banks are so high not even the Abominable Snowman would tackle one, the blower comes around. And throws two tons of snow, salt and sand well up onto your lawn. Great for the grass.

Well, if you can't beat them, what do you do? I've been turning over a scheme. No dopey snowmobile. No downhill skiing, because of a couple of crook knees. And if I wanted to ski, I could do it in my own backyard, practising jumps off the picnic table.

No, I've decided to re-learn to fly. Take lessons at the local airport. Surely some of the old skill, such as it was, is still there. I've done plenty of winter flying and it's great up there, except when you run into a snowstorm and have to set her down in a farmer's field.

But I could sail along at a couple of thousand feet and sneer down at the snow, enjoy its beauty, and maybe even get to like the filthy stuff again. It would be a lot better than having the snow sneer down at me, as I try to hoist a loaded shovel onto a seven-foot bank, and wait for that sharp pain in the chest with each hoist.

The Snowmobiles

PART ONE

Never has there been so much talk and excitement over anything as there has been over the coming of the snowmobile. It has brought with it usefulness and its worries, but before we can go too far on its faults we must ask ourselves if it is worthy of its prominence — we say yes. In the first place it was made for the great outdoors where the conditions in the winter months were almost impossible for man, let alone beast. The appearance of the snowmobile has made it possible for many other uses such as the trapper, the surveyor, the lumberman, and many other reasons.

Yes, it has been a blessing to many who, in the past, had to suffer so many hard woodland trips which took many days to complete, which was done on the old snowshoe — they are now the thing of the past. And the credit goes to the snowmobile, so give it all to where it deserves.

PART TWO

The people who are using them for pleasure are the ones that are causing this useful machine to be getting into so much trouble. They are not satisfied to take them where they are supposed to be — out into the great outdoors or on the lakes after the ice is safe — but they are bringing them into our villages and towns and onto the highways; even on the sidewalks. All of these places are not for them, and the operators have been warned that those who are doing such will no doubt be in trouble if caught.

You only have to look at the already list of those who have been hurt, with some killed, and much damage done to private property and injuries to the public. These are the reasons that this wonderful machine is being looked upon as a menace to the people. It is a very unjust reason, as it reflects on those who are using them as they are supposed to be using them — out in the country, keeping them off the highways, and out of the villages and mainly off the sidewalks.

Good advice to those who like to speed is to keep away from the car traffic and any public place. You can find lots of places to have all the joy you wish out in the great outdoors.

Try and refrain from foolish handling of those powerful machines and use it as it is supposed to be used, and then you will enjoy your sporting pleasure. Also remember that when you have somebody on with you that you have a responsibility to someone's life and probably your own. Also refrain from breaking the sound-barrier at midnight.

The snowmobile is a worthy sporting vehicle so do not give it a bad omen, and use it as it is supposed to be used and it will last you a while, and you will not break your neck or hurt anybody else.

A.M.F.

LOOK FOR THE HYLANDER?

What you put in here

can affect your car insurance rates (among other things).

Your choice of drinks can make a big difference in your insurance rates. Because if you drink alcohol — even if it's only once a year — you probably pay more for your insurance.

This agency insures both kinds of people. But to those who never drink alcoholic beverages, we can probably offer extra savings through Abstainers' Insurance Company.

This makes a lot of sense to the over 30,000 motorists who are Abstainers' policyholders. If it makes sense to you, call us about Abstainers' Insurance.

Abstainers' now also provides fire and other personal property coverage for non-drinkers. At low cost.

Carnival EALBARTERS

The newest design in telephones anywhere in the world is the Contempraphone, designed and produced for Bell Canada by Northern Electric. And it's only available right here in the Haliburton Highlands. More than 100 of these telephones have been installed. Except for London, Ontario, where it was market-tested, nobody else in Ontario can get Contempraphones until February 2. A special deal, however, was worked out so that customers in the Haliburton area could have them installed now as part of the dial changeover program and save an installation charge. As can be seen from the picture, the Contempraphone is new, sleek and has the dial set right in the receiver. The recall button is just below the dial. This brings you back a dial tone so you can make another call with the flick of a finger. Contempra is available in any of nine colors at no extra cost: deep green, beige and ivory (the three old favorites). And six new ones: mauve, deep turquoise, deep blue, bright red, pale yellow and warm white. Shown here are installer John Stapley and Betty Hodgson, secretary of the Haliburton Winter Carnival, getting a close look at the Contempra.

TOWNSHIP OF SNOWDON APPLICATIONS

Applications will be received by the undersigned for a PART-TIME BUILDING INSPECTOR for the Township of Snowdon. Please state qualifications.

Applications must be in by February 2, 1970.

SIDNEY JENNINGS, Clerk.

Official tender call ad January 23 - February 4, 1970.

Lowest or any tender not necessarily accepted.

J. EARL HEWITT, Road Superintendent.

Minden W.I. Hold January Meeting

The regular meeting of the Minden Women's Institute was held at the Parish Hall on the afternoon of Wednesday, January 21, with Mrs. P. Clarke presiding.

After the usual opening, the Roll Call of stamped get-well cards was answered by 18 members and thanks went to Mrs. Moore for a gift of box cards.

Correspondence was read by Mrs. Sears in Mrs. L. Cox's absence, and the Minutes were approved.

There was some discussion regarding an adopted child for our Branch but we agreed that we have too many other commitments.

Mrs. D. Percie then gave her report of cards sent and the collection for the day was taken and Pennies for Friendship were turned in.

Mrs. B. J. Walker, Convenor of Current Events, gave a paper on the Happenings of 1969 in her usual fine way.

A Card Party was planned for Thursday, January 29, with the members offering lunch.

There was some discussion regarding the courses, but we are not participating as no one is able to attend.

The new feature of Birthday Pennies had four ladies giving their money, and all joined in singing Happy Birthday.

The next meeting will be at the Modern Aire Restaurant on the usual date in the evening.

The meeting concluded with our National Anthem and W.I. Grace, and was followed by a delicious lunch served by the committee.

TORY HILL

Sympathy is extended to the family of the late Mrs. Albert Fox who recently passed away.

The Sheltered Workshop in Tory Hill is underway again after a few weeks absence due to smoke damage; everything was a total loss in material and some of the furniture. I am sure the trainers and the Director, Mrs. Larry Hunter, are pleased to be back into action once again.

Mrs. Charles Billings and Mrs. Herb Bates visited with Gloria's grandfather, Mr. Fred Haas, who is a patient in St. Joseph's Hospital in Peterborough, on Thursday.

Mrs. Lloyd Watson and Mrs. Gerald Cooper spent a couple of days in Ajax with Mr. and Mrs. Jim Mackness.

Mrs. Rene Hill visited with Mrs. Kathy Anderson on Monday. Hope you are feeling much better soon, Kathy, after a bad bout with the flu.

Mrs. Howard Brooking spent a week's holidays with Mrs. Stan Brooking.

Congratulations to Mrs. Ida Bonham who is celebrating her 94th birthday on Saturday, January 31. She is with her son Roy at Clifford, Ontario.

Messrs. Howard Anderson, Clayton and Barry Dunford, and Doug McCrea were in the village over the weekend.

Many of our residents enjoyed the Haliburton Winter Carnival in Haliburton last weekend.

CARNARVON

Mr. and Mrs. Ron Davies and son Cory of Port Sydney spent the weekend with the Bob Cowans.

Mr. Laverne Thomas and son Lanny of Peterborough spent Sunday with the Francis Thomas.

Mr. Al Miscio of Hamilton was home for the weekend while his parents, Mr. and Mrs. Amos Miscio, attended a wedding in Toronto.

Spending the weekend with his parents was Mr. Ken McKay of Toronto, who had as his weekend guest Mr. John Lawrence, also of Toronto.

We send get well wishes to the many in the area suffering from the flu.

Word was received of the death of Mr. Tambrano in Toronto on Sunday. The Tambranos have been summer residents for many years. Our sympathy to the family.

* * *

(Intended for Last Week)

Mrs. Lily Van Kuren has returned to North Bay after being here for a couple of months.

It was a great shock to the community to hear of the death of Mr. Alf Wills on Tuesday, January 13. The service was held at the John Welch and Son Funeral Chapel, Minden, on Thursday night. Our deepest sympathy to a sorrowing wife and family.

Congratulations to the newlyweds Mr. and Mrs. Lloyd Maschke (nee Miss Barbara Barnes). The wedding took place in Oshawa on Saturday, January 17. Mr. and Mrs. Syd Barnes and Tim and Mr. and Mrs. Allan Barnes and children attended from here.

INGOLDSBY

Miss Valorie Robinson had a number of friends in Thursday evening to help celebrate her ninth birthday.

Mr. and Mrs. Ted Carpenter visited at the home of Mr. and Mrs. Doug Carpenter of Lochlin and joined the birthday celebrations for Barbara and Gregory.

Mr. and Mrs. Guy Bloomfield and Mr. and Mrs. George Exon of Lochlin visited with Mr. and Mrs. Everett Burk recently.

Mrs. Mary Banton is spending a few days in Toronto.

Miss Shirley Bowen of Wilberforce spent Tuesday night with Miss Leitha Burke.

Messrs. Phil Shrive and Alec Pritchard of Rockwood spent the weekend at the home of Mr. and Mrs. Gordon Darby.

Mrs. Percy Gabb, who has been a patient in the Minden Red Cross Hospital, was able to return home on Saturday. Hope you are much better, Phyl.

A number from here attended the Haliburton Winter Carnival on the weekend.

Miss Glenda Stamp of Haliburton spent Friday night at the home of Mrs. Harry Burke.

Mr. and Mrs. R. Beaver and family have moved into the home formerly owned by Mr. and Mrs. Everett Burk. We would like to welcome them into our community.

Mr. and Mrs. Ron McCracken and family of St. Catharines visited on the weekend with Mr. and Mrs. Lester Hicks.

HALIBURTON

Mr. and Mrs. Bob Bannon of Sprucedale were visitors here over the weekend.

Mr. and Mrs. Gerald Watt and family of Bowmanville were visitors here for the Haliburton Winter Carnival.

Mr. and Mrs. Allan Hoxie of Toronto were visitors here over the weekend.

Mr. Earle Casey, who is employed by Bell Canada at Peterborough, spent the weekend at his home here.

Mr. Jim Allan of Toronto was a visitor to his home here over the weekend.

Mr. Stanley Watt was a visitor here over the weekend.

Mr. and Mrs. Dave Exley and family of Toronto were here in Haliburton for the weekend and the Haliburton Winter Carnival.

Mrs. Danny Oneil of Brighton was a visitor here last week.

Mr. and Mrs. Ken Allen of Oakville were visitors at the home of Mr. and Mrs. Mervyn Elstone over the weekend.

Mr. and Mrs. Ron Crook and sons Ronnie and Billie of Toronto spent the weekend with Mr. and Mrs. Roy Howe in Haliburton.

GOODERHAM

Congratulations to Mr. and Mrs. Carl Dewey on their recent wedding.

Visitors with Mr. and Mrs. Frank Dewey were Mr. and Mrs. Frank Dewey Jr. and boys of Toronto, Mr. and Mrs. Ryon Dewey and family of Oshawa, and Mr. and Mrs. Howard Woodcox and family of Bancroft.

Mr. and Mrs. Elgin MacDuff and Mr. and Mrs. Bill Hunter were away on a few days holidays last week.

We are glad to see Mr. and Mrs. Ross Haywood have moved back to their home.

We are glad to hear that Mrs. William Dewey is home after undergoing surgery in a hospital in Peterborough.

Congratulations to Mr. and Mrs. Luigi Franchi on their recent marriage.

We are sorry to hear a great number of people have been sick with the flu around the village. Hope to see everyone out and around soon.

We are sorry to hear that Mrs. Thomas Dovell is in a hospital in Toronto, and we hope she is home soon.

MINDEN

Sunday guests with the P. Robinsons included Mr. and Mrs. Ern Voycey and Linda of Gamebridge and Mr. and Mrs. Paul Cockburn and two children of Woodville.

Patients at the local Hospital early this week included Bruce Mason, Hugh Kernohan Sr., Mrs. James Hie, Mrs. Lilian Miller, Mrs. Francis, Allan Hewitt, and Edward Wright.

There have been several funerals lately, with sympathy going to the families and friends of the late Mr. Gordon Sawyer and Mrs. Hector Taylor.

Mr. Gerald Coulter of Toronto spent the weekend with his parents, Mr. and Mrs. Angus Coulter.

CHURCH NEWS

TORY HILL CHARGE U.C.W.

A combined Tory Hill Charge U.C.W. meeting was held on Wednesday evening, January 7, at the Gooderham United Church.

The meeting opened with the Call to Worship and prayer by Mrs. Gordon Barr.

The hymn "Onward Christian Soldiers" was then sung.

The Scripture Reading was given by Mrs. Watson.

Mrs. David Watson introduced the speaker, Miss Olive Parrott, teacher at the Lindsay Training School for Girls, Lindsay. Miss Parrott gave a very interesting resume of the work being done at the School and told us that the girls do enjoy a visit in homes on weekends and vacation time, giving them perspective on how other people live. Mrs. John Noble then thanked the speaker.

The singing of the hymn "Saviour, Again To Thy Dear Name We Raise", with one accord our parting hymn of praise, closed the meeting.

The ladies went downstairs where a social time followed with games, choosing a secret friend for the year, and refreshments were served.

A very enjoyable evening for all present.

GOODERHAM U.C.W.

The Gooderham United Church Women held their meeting on Wednesday afternoon, January 14, at the home of Mrs. Ronald Barr, with Mrs. Gordon Barr as hostess.

Mrs. Barr gave the Call to Worship and prayer, and the hymn "My Faith Looks Up To Thee" was sung.

Mrs. Lewis, a visitor, read the Scriptures, Proverbs 16: Verses 20-32.

We answered the Roll Call with a verse from the faith chapter, Hebrews 11, followed by prayer.

Mrs. Fotheringham gave the Meditation on "Anger", from our Worship Book "The Moral Spectrum". Most of us know what it means to see red. With the vast majority of people it has its roots in pride, egotism and selfishness. It ought not to be lightly dismissed as simply a regrettable weakness of character. The early fathers of the Church gave it a prominent place among the Seven Deadly Sins. It can ruin family life, banish laughter and destroy good-will. Righteous anger certainly had a place in the character of our Lord. Two kinds of anger, the false and the true. Our problem is how to be rid of the one and attain to the other. How to control our temper amid the irritations and insults of the world and at the right moment and for the right cause to see red.

Prayer by Mrs. Milburn was then given for the sick.

Business then followed: The Minutes of the last meeting were read and approved; Mrs. Allan Madill, Treasurer, gave a good report for our year's work; Our monthly hospital calls, house calls and cards sent during the month were reported; and the correspondence was read by the Secretary.

Mrs. Barr closed the meeting with prayer, and a lovely lunch was served by our hostess.

FULL GOSPEL LIGHTHOUSE SUNDAY SCHOOL GROWS

At a regular meeting of the Board of the Full Gospel Lighthouse plans were put into operation to finish the inside of the building and to build an extra Sunday School room to handle the many new students who have enrolled lately. This Sunday a bus will run from the Cemetery to the Church and then out to the four corners on the Old Buckhorn Road, and interested parents are urged to telephone Haliburton 244 to arrange a pick-up.

Arrangements were also made for the demolition of the two-storey house next to the Church to provide parking.

On Saturday, January 31, the congregation will meet for a fellowship and business discussion time.

On Sunday, February 1, a new colour film, "Flight Plan", will be shown at the 7:00 o'clock service. This film shows something of the work of the Missionary Aviation Fellowship. Some

local residents will no doubt recall the martyrdom of the five missionaries by Auka Indians in the 1950s. They served with this interdenominational agency. The public is welcome.

NOTED CLERGYMAN TO SPEAK IN HALIBURTON

On Tuesday, February 10, 1970, Dr. Winham Fitch, Ph.D., Minister of Knox Presbyterian Church and President of The Evangelical Fellowship of Canada, will be guest speaker at a Dinner Meeting at 6:00 p.m. in the Royal Canadian Legion Hall. The purpose of the meeting will be to organize a Haliburton Chapter of this national evangelistic inter-church body. Such chapters are forming now across Canada.

Founded in 1964, the Evangelical Fellowship of Canada has much to give. Evangelical Christians are round in every department of Protestant Christianity. In the larger communions they play a vital role in promoting renewal of the church's life and as the custodian of the credal and doctrinal wealth of their denomination. Many other groups across Canada are wholly committed to the evangelical position. It is right that such groups should know each other and unite together in a common fellowship.

To seek out the evangelicals of our land and unite them in a common purpose for the revival of the church is the task of the Evangelical Fellowship of Canada. It is a daunting task, but it must be done.

"It is a challenging task to unite evangelicals of Canada. But the time has come when this must be done", says Dr. Fitch. "Classic liberalism is dead. Clearer than ever is the fact that evangelical Christians are overdue participants in the modern dialogue. An evangelical confrontation of the spirit of this generation must take place — not only at scholarly levels, but also at journalistic frontiers where the man in the street and the many in the uncomfortable pew need and are asking for theological help. All this the Evangelical Fellowship can provide", Dr. Fitch assures us. He invites the support, the fellowship, and the prayer support of this endeavour, convinced that the true evangelical nourishes a nobler patriotism, a more joyful Christian experience, and a better life for all.

What is an evangelical? You may be one without knowing it. In a brief statement Dr. Fitch states reasons why he is an evangelical. He says: "It took me a long time to reach the point where I could say without hesitation, 'I am an evangelical'. But there are no ifs or buts in my thinking now. I can today, without reservation and with conviction, take my stand with the evangelicals and do so proudly."

"What do I mean by evangelical? The word means for me what it has meant to orthodox Christianity through the centuries. It spells out an authoritative Bible, an absolutely unique Christ Jesus who is both God and Man, a God whose name and nature are everlastingly Holy Love, and who is revealed to me in Jesus Christ, a Cross that towers over the wrecks of time and pledges pardon to repentant sinners, a Church created by the power of the Holy Spirit indwelling the lives of all who receive Christ as Lord and Saviour, a decision that accepts all that Christ is and follows Him alone, and a life's work which is ordained by God and revealed by His Spirit as I pray and trust in Him. All this is included in my definition of evangelical."

"It is nonsense to my way of thinking", says Dr. Fitch, "to claim to be truly evangelical without accepting the Bible as the unfailingly authoritative Word of God. Apart from the Bible, we have no authority. We know nothing of Jesus Christ without the scriptures. We are left in the midsts of subjectivism if we depart from belief in the scriptures as the inspired Word of God. As an evangelical, I hold a very high view of scripture — so high indeed that I believe that in the scriptures of the Old and New Testaments God has given to us all that we need to know to

enter into life eternal and to reach heaven at last. Scepticism concerning the Bible has no place in the knapsack of an evangelical."

"As an evangelical I am called of God to be a witness to His revelation in Christ and to be a worker among the peoples of the earth without thought of any reward. The specific work appointed us is identical with what we see in the Good Samaritan. When other people passed the helpless man by and left him in the ditch there was one who came to his side, lifted him up, poured in healing strength, took him to an inn and said: 'Take care of him'. This is the task of the evangelical Christian. And how nobly it has been fulfilled down through the years! There have been times when the work has been forgotten and in a deadly kind of so-called orthodoxy Christ's people have followed Him afar off and have forgotten His commandment to give a cup of water to the thirsty in His name. But when His commandments have been truly understood and obeyed, there has never been any doubt as to the vision filling the heart of the evangelical. On a thousand mission fields he has spent his blood. In countless ministries of mercy he has been ever more deeply involved. And all because he knows that where cross the crowded ways of life, there his Master is and he must follow."

"When the Lord God in His mercy grants true revival to the Church, we shall see a return to true in-depth evangelicalism. In many parts of the world today you will find critics of the evangelical position. But we dare not judge. We must only pray that the windows of heaven will be opened upon us and that we may see the beginning of a great rediscovery of the majestic truths of the Gospel of God."

"This is the evangelism I embrace. I commend it with pride."

The tickets for this Evangelical Fellowship of Canada Dinner will cost \$2.50 and are available from any of the ministers in Haliburton County. You might call Rev. Ronald A. McCaw at Haliburton 43 if you wish to attend and desire to reserve a ticket.

Dr. Fitch is a recognized international leader in the church and the opportunity to hear him should not be missed.

THE NATION'S BUSINESS

By WILLIAM C. SCOTT, M.P.

The Company of Young Canadians is alive and well and still living under the protection of a benevolent Federal Government. According to a Canadian Press story of last week, the C.Y.C. has survived last year's parliamentary investigation and is thriving. The only difference is that the Company is now under government trusteeship.

It is almost beyond belief that this dangerous, disruptive, tax-eating body has been permitted to go on its merry way, creating rather than solving social problems, squandering public funds and, in many cases, working to overthrow the government that remains its sponsor and supporter.

On March 1st, Parliament will be asked to approve a grant of \$1,900,000 to carry the Company for another year. This is tax money, squeezed from Canadians at a time of runaway inflation, rising taxation, growing unemployment and general hardship.

The committee that investigated the Company last fall was told that the inexperience of its youthful directors, lack of planning, purpose and direction, and an almost complete lack of government supervision, were major factors in producing the public outcry that finally forced

the government to order a formal investigation of the affairs of the C.Y.C. In addition, and far more serious, were the charges, never effectively refuted, that the Company had aided and abetted, if it had not indeed initiated, seditious activity in the Province of Quebec. These charges were brought by responsible leaders of the administration of the City of Montreal, whose streets had seen violence and civil disorder with which the Company was directly linked.

Despite all this — despite the evidence that the Company was an ill-conceived, ill-organized and ill-run operation, the parliamentary committee dominated by the Government and State Secretary Pelletier, declined to recommend that it be abolished. Instead, it was allowed to remain active. All that was done was to appoint a young Montreal lawyer, at a handsome daily fee, to supervise its financial business. Granted that such supervision is necessary; but it is only a part — and a very small part — of the answer.

There is no trustee to ensure that the money granted from the public purse by the government majority will not go to supporting further subversive and unnecessary and undesirable activity.

In my opinion, the Company should have been abolished. But, if this had been done, it would have reflected on the man whose irresponsibility was chiefly responsible for establishing the idea, former Prime Minister Lester B. Pearson. As Mr. Pearson was also the leader of the Liberal Party, this would have reflected upon the party as a whole, and that party is still in office. It is not surprising, therefore, that criticism of the Company was not reinforced by proper action. The Company was allowed to live under the face-saving expedient of trusteeship.

At a time when the Federal Government is preaching austerity and restraint in spending, and individual taxpayers are finding the going tougher and tougher, it is little short of criminal that such an unnecessary, wasteful and, indeed, dangerous, organization is permitted to continue squandering public money.

If there are serious social problems in various Canadian communities, requiring special local attention — and I am ready to admit that there probably are

such problems — then it would be better in my view to tackle them by means of mature, experienced and responsible agencies that already exist in the communities themselves. It appears feasible to have Parliament take the \$1,900,000 earmarked for the Company for 1970 and place it in a special fund. This fund would then be available to assist bona fide local organizations in tackling special or emergency social problems. Such assistance could be granted by the administrators of the fund upon proper application being made on a dollar-for-dollar basis.

As an example, suppose a service club or other such organization wished to undertake a special community programme in the area of local youth, poverty or similar situation, the club would apply to the fund for financial assistance. In making the application, it would undertake to put up so much money, say \$10,000. The fund administrators would then consider the merits of the application, the worthiness of the project and the probability of success. If they were satisfied on all counts, they would authorize a matching grant of \$10,000.

Such a plan, or a variation of it, seems to me would attain the object that was originally set out as the goal of the C.Y.C. and yet ensure that the need was real; the chances of success are good and public money would be spent to the best advantage.

I do not believe that any of these aims will be achieved by the rejuvenated Company of Young Canadians even though a financial trustee has been provided by Parliament. The Company's terms of reference are just as vague as before. The direction of the Company is just as inexperienced and inept. The general supervision is just as lax, and the Company's freedom just as unlimited as before.

A financial trustee may be able to bring proper accounting methods into operation but the Company will still have a big, fat nest-egg of close to \$2 million to play with as it wants.

I believe the Company should be abolished and the slate scrubbed clean. If the work it was supposed to do is really necessary, I believe assistance grants from a fund within the control of Parliament is the only answer.

Comment By M.P.P.

R. Glen Hodgson

In Ontario we have had several forms of local government since 1834 when the City of Toronto was incorporated. Our people have taken care of themselves under these several forms very well and made changes when they are necessary for changing conditions.

To understand why we have different forms, we have only to consider the size of Ontario which, with its lakes and waterways, covers an area over 4,000 square miles. In area greater than France and Spain combined. Vast uninhabited tracts of country in the north, remote mining and lumber settlements, agricultural centres of rich fertile lands in the south, and thriving cities on and close to the shores of the Great Lakes. Such a casual glance is sufficient evidence that it takes more than one form of local government to look after the domestic matters of such different communities.

Using as its guidelines The Municipal Act, The Planning Act, and the progressive welfare and individual needs of the community involved, the Province decides the status of each municipality, and it is this status which determines the form of government.

Most common forms of local government are of the single-tier types known as city, town, village or township. The first three are also known as urban municipalities. All four are closely related when it comes to municipal government, in that the inhabitants of all govern themselves as a "body corporate".

A second form of municipality status is the one which combines local autonomy with a second tier of government and it is under this system that those who live in counties take care of themselves. The county is a federation, governed by a County Council which is mainly responsible for units of administration which operate throughout the whole of the county or in more than one municipal lower tier. This form of municipality has as a council head a person elected from its membership and known by name as "Warden".

The Glen Lawrence Construction Company Limited of Kingston, Ontario, have received the contract award for 4.61 miles of Highway No. 35 construction. R. Glen Hodgson, M.P.P., said this would be for grading, drainage and granular base at a cost of \$791,190.10. Mr. Hodgson told us this would rebuild that portion of Highway No. 35 from Dorset northerly to the Goose Lake area and complete that section that is within Haliburton County.

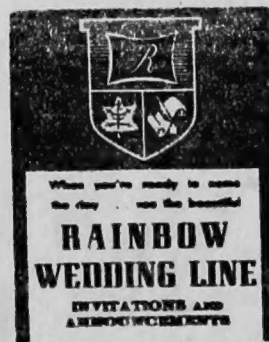

Brushing and engineering has been underway on a one-and-one-half mile section of Highway No. 530 between West Guilford and Haliburton.

Rapid progress is noticeable daily on the section of Highway No. 35 by Peel Construction Limited between Miner's Bay and the junction of 121 and 35 south of Minden. Stripping has taken place over the entire length with rock work being done at the Miner's Bay end.

Two development road second stage projects are under construction in Haliburton County at this time — Haliburton County Road No. 1 westerly from Carnarvon and the other in Sherborne Township to open the south shore of Hollow Lake.

Rock drilling and construction is proceeding by the Department of Lands & Forests to provide a limited number of public lake-shore lots available in 1970 by new access roads.

The Bancroft Highway District is presently surveying sections of No. 519 near Gelert. This is pre-engineering before construction.

BIRTHS

To Mr. and Mrs. Victor Packard of Eagle Lake, a son, Benjamin James Sawyer, on Wednesday, January 14, 1970.

ENGAGEMENT

Mr. and Mrs. Elio Nadalin of Toronto wish to announce the engagement of their daughter Mariangela (Mary) to Michael John Sims, son of Mr. and Mrs. Carl Sims of Thornhill. Wedding to take place in Toronto on Saturday, April 18, 1970.

CARD of THANKS

Mr. Jack Beavis would like to thank Dr. Good, the Nurses and Staff of the Haliburton Hospital for their kindness to him during his recent illness; also those who sent cards and get well wishes. My sincere thanks. J. Beavis.

I wish to take this opportunity to thank all those who sent cards and gifts while I was a patient in the Civic Hospital in Peterborough, and special thanks to the Ladies' Auxiliary of the Royal Canadian Legion. Karen Henderson.

My appreciation of the kindness shown to me by all our friends and relations, get well cards and visits during my stay in the Ross Memorial Hospital in Lindsay. Special thanks to Dr. Watson, Dr. Service, Dr. Koval, Rev. David Lemmon and all the Nurses. Frank Waters.

I wish to take this opportunity to thank all our friends and relations for their prayers, get well cards and visits during my stay in the Red Cross Hospital in Minden. Special thanks to Dr. Koval, Rev. Howard Best, the Nurses, and the men in charge of the Ambulance Service. Gladys Waters.

We would like to express our sincere gratitude to all friends, relatives and neighbours for their infinite deeds of kindness, floral tributes, charitable donations and messages of sympathy given during the recent passing of a loving husband, father and son. Special thanks to Mr. and Mrs. Wm. Gartshore and Mr. and Mrs. G. Sawyer, Dr. Good and Nurses at Red Cross Hospital, and Rev. H. Best for his comforting words. Mrs. Norma Davies and Family and Mrs. Rose Davies.

CARD of THANKS

We wish to express our heartfelt thanks and appreciation to our many friends for the kindness and sympathy in our recent bereavement of the loss of a beloved mother, Myrtle M. Hill, and also for the beautiful floral tributes and many sympathy cards. Margaret and Fred Vickers.

All the family of Mr. and Mrs. Alf Wills wish to thank all friends and neighbours around Boskung Lake and surrounding community and district for the lovely meals which were sent in and also the lovely floral tributes which were sent to the Funeral Home in tribute to our loving father and son-in-law, Mr. Alf Wills, who passed away on January 13, 1970. Also we sincerely thank all who were so kind to Mrs. Ann Wills, as their kindness will never be forgotten. He was a wonderful man and a friend to all, and he will be missed by friends all over the county. I myself have been going to Ann and Alf's home for nine years in the summer. Mrs. Wills Mother, Cliff and Family.

IN MEMORIAM

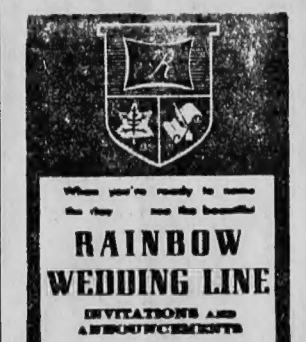

ACTIVE SERVICE IN MEMORIAM

DAVIDSON — In proud and loving memory of our dear brother Lieut. Ross Davidson, killed in action in Germany on January 29, 1945.

In the book of life there are memories
Of the happy days we knew,
And recorded in love are the blessings
Of a wonderful brother like you.
—Lovingly remembered by Bernard, Aiken, Lauretta and Bernice.

ROBERTSON — In loving memory of our dear father, Rev. W. J. Robertson, who passed away January 29, 1957.

Our thoughts are ever with you
Though you have passed away,
For those who loved you dearly
Are thinking of you today.

OBITUARY

FLORENCE E. FINLAY

Mrs. Florence E. Finlay (McEachren) entered into rest at the Ross Memorial Hospital in Lindsay on Monday, December 22, 1969, after a lengthy illness.

She was well known in the area having been a teacher at various schools throughout the County.

She was an active worker in the United Church Women and was President of this, as well as a former Elder in the Minden United Church.

Left to mourn her loss are her husband Gerald and a daughter Dorothy McKay and three grandchildren of Inuvik, Northwest Territories; and two brothers, George and Gordon of Glencoe. A son Robert predeceased her.

The funeral service was conducted by the Rev. W. Oake and

Your RED CROSS is
+ Serving +
Today
Ready for Tomorrow

was from the John Welch and Son Funeral Home in Minden on December 24, with interment in Minden Cemetery.

Palbearers were Elders of the church, namely Lyle McKnight, Elgin Stouffer, Harold Deacon, Harry Earle, Loyne Cox and Mark Vasey.

This fine citizen of the village of Minden will certainly be missed by her family and her many friends.

Haliburton Carnival

(Continued from Page One)

The Snowshoe Races saw First Prize being won by David Mack while Second Prize was won by Stephen Lloyd, both of Haliburton.

Ron Davies of Haliburton was the lucky winner of an Ice Auger donated by Bruce's Barber Shop for the largest fish caught during the Carnival.

WINNER OF BONSPIEL

On Friday and Saturday the First Haliburton Carnival Mixed Bonspiel was held at the Haliburton Curling Club.

The Hiram Walker Trophy was presented by Tom Sheridan, Division Manager of Hiram Walker & Sons Ltd., to Bob Culliver's rink of Jean Culliver and Deane and Barb Lynch who combined victories over Ken Wilson (8-4), Russell Woodcock (7-6) and Dwain Barry (12-1) for a total of 52 3/4 points. Runner-up for the Trophy was Murray Kuno's rink of Marilyn Kuno and Percy and Shirley Hinze with victories over Clark Bailey (12-0), Dave Bishop (9-4) and Roy Windover (7-6) for a total of 50 points.

High two-game winners in the Bonspiel were Russell and Phyllis Woodcock and Bill and Jane Parker with 42 1/2 points, and Roy and Marjorie Windover and Ed and Peggy Pettinger with 40 points.

A total of 12 rinks competed in this event, and it is expected that next year it will be bigger and better.

SLED DOG DERBY

Five Sled Dog mushers from the United States won the top money on Sunday at the Haliburton Winter Carnival Sled Dog Derby.

Dave Hobbs of New York won the Dominion Department Store Trophy and had the fastest time of the two-day event in which 20 of the top sled dog teams from Ontario and New York competed. His total time was one hour and 19 minutes over the 25-mile course. Bill Tucker and Harris Dunlap, also of New York, finished second and third, while fourth prize went to Joe Mollberg of Centre Harbour, New Hampshire.

The success of any event of this kind is largely dependent upon the leadership and effort expended by the committee in charge and to all these fine people who were in any way connected with the administration of the Carnival we extend a hearty vote of thanks from all the citizens of this area. While it is hard to name all those who helped with the Carnival, we might mention the time and efforts contributed by Art Ward and Peter Curry, Co-Chairmen.

Watch next week's paper for pictures of the Winter Carnival.

Letter Confirms Industrial Grant For Municipality

Ontario Development Corporation
950 Yonge Street,
Toronto 5, Ontario.
January 20, 1970.

Reeve R. Brohm,
Township of Dysart et al,
Haliburton, Ontario.

Dear Sir:

Your municipality has been approved for registration as an area in which new or expanded industry may be considered for financial assistance under the Equalization of Industrial Opportunity Program. This registration which is effective immediately, will be kept under continuous review, but in any event will lapse on June 30, 1971.

You may apply just prior to the lapsing date for re-listing, and your municipality will then be re-assessed on the basis of the circumstances existing as of that date.

Yours very truly,
R. H. Ribbans,
Assistant Secretary.
c.c.: Mr. W. B. Wood.

HALIBURTON COUNTY ECHO
PHONE 350W

\$500 Damage

A Lindsay man, James Randal Wood, 20, of 42 Wellington Street, received minor injuries when his car went off Highway 121 south of Minden at 4:25 p.m. last Saturday. Damage was estimated at \$500.

Constable Douglas Heath of the Minden Detachment of the Ontario Provincial Police investigated.

One Car Accident West Of Kinmount

A one-car accident on Highway 503, five miles west of Kinmount, at 5:30 p.m. on Monday resulted in an approximate total of \$450 damage to a vehicle driven by Elizabeth Ackerblade, 40, of Minden.

Ontario Provincial Police Constable M. R. Ware reports the Ackerblade vehicle left the highway and struck three guide posts.

There were no injuries in the accident.
